LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Residential/Undeveloped	A-1 Suburban District
South	Undeveloped	A-1 Suburban District
East	Undeveloped	A-1 Suburban District
West	Undeveloped	A-1 Suburban District

EXISTING LAND USE:

Existing development? No **Multi occupancy development?** No

COMPREHENSIVE PLAN:

Residential / Agricultural – Agricultural and related or other active or passive uses that use or preserve the countryside, forests and other areas and rural residential uses – widely ranging in dwellingsize or type, siting and organization; both of which are generally located some distance from more intense land uses. Permitted uses include single-family residential, and uses ancillary to either of these primary uses. Other uses require a change in zoning.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-1 (Suburban District) to AT-1 (Animal Training/Housing District). The site is located at the southeast corner of Albert Thompson Road & LA Highway 40. The 2025 Future Land Use Plan calls for the area to be developed with residential and agricultural uses. The property is surrounded by single family residences agricultural uses and undeveloped land. Staff sees no compelling reason to recommend approval, considering that the site is also zoned Rural Overlay, which allows the same uses listed under AT-1. The requested rezoning to AT-1 zoning district could also potentially allow an increase of the density in the area.

Note that the applicant is seeking the zoning change to AT-1, to erect a cell tower on the site.

STAFF RECOMMENDATION:

The staff recommends that the request for an AT-1 (Animal Training/Housing District) designation be denied.
