LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Tammany Trace & Industrial	I-2 (Industrial District), HC-2 (Highway Commercial District) & NC-4 (Neighborhood Institutional District)
South	Residential, Commercial & Undeveloped	A-2 (Suburban District)
East	Residential	NC-4 (Neighborhood Institutional District)
West	Commercial & Undeveloped	HC-2 (Highway Commercial District)

EXISTING LAND USE:

Existing development? Yes

Multi occupancy development? Yes

COMPREHENSIVE PLAN:

Commercial - Sales outlets for goods and services. Several levels or forms of commercial structures include: limited or specialty; neighborhood service centers; generous "highway commercial" uses; offices; public uses; planned mixed commercial and residential centers, and the traditional village or town central business district.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from HC-2 (Highway Commercial District) & NC-4 (Neighborhood Institutional District) to I-2 (Industrial District). The site is located on the west side of Camp Villere Road, north of US Highway 190. The 2025 future land use plan calls for the area to be developed with commercial uses. The 2 sites are currently developed with an outdoor storage yard and office warehouses. The objective of the zoning change is to bring the sites in compliance with the appropriate zoning.

STAFF RECOMMENDATION:

The staff recommends that the request for an I-2 (Industrial District) designation be approved.
