LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Residential	A-2 Suburban District
South	Commercial	HC-2 Highway Commercial District
East	Residential	NC-4 Neighborhood Institutional District
West	Residential	NC-4 Neighborhood Institutional District

EXISTING LAND USE:

Existing development? No

Multi occupancy development? No

COMPREHENSIVE PLAN:

Commercial - Sales outlets for goods and services. Several levels or forms of commercial structures include: limited or specialty; neighborhood service centers; generous "highway commercial" uses; offices; public uses; planned mixed commercial and residential centers, and the traditional village or town central business district.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from NC-4 (Neighborhood Institutional District) to A-5 (Two Family Residential District). The site is located on the north side of LA Highway 36, west of St. Landry Street, being lot 6, Block 9, Garland's Covington & Claiborne Addition. The 2025 Future Land Use Plan calls for the area to be developed with commercial uses. Staff does not object to the requested zoning change, as there are residences to the east and west of the property and multi family residential nearby.

STAFF RECOMMENDATION:

The staff recommends that the request for an A-5 (Two Family Residential District) designation be approved.
