SITE ASSESSMENT

ACCESS ROAD INFORMATION

Type: Parish

Road Surface: 2 Lane, Asphalt

Condition: Good

LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Residential	A-1 Suburban District
South	Residential	A-1 Suburban District
East	Residential	A-1 Suburban District
West	Undeveloped	A-1 Suburban District

EXISTING LAND USE:

Existing development? Yes

Multi occupancy development? No

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-1 (Suburban District) to A-3 (Suburban District). The site is located on the northeast corner of LA Highway 1080 & LA Highway 40. The 2025 Future Land Use Plan calls for the area to be developed with residential uses. The site is surrounded by residential uses on properties of various sizes. However, staff does not have any compelling reason to recommend approval, considering that the surrounding area is zoned A-1 Suburban District.

STAFF RECOMMENDATION:

The staff recommends that the request for an A-3 (Suburban District) designation be denied.
