SITE ASSESSMENT

ACCESS ROAD INFORMATION

Type: State **Road Surface:** 2 Lane, Asphalt **Condition:** Good

LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Undeveloped/Utility	A-2 Suburban District
South	Church/Laurant Road	A-2 Suburban District
East	Undeveloped	A-2 Suburban District
West	Residential/Hwy 1077	A-2 Suburban District

EXISTING LAND USE:

Existing development? No **Multi occupancy development?** No

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-2 (Suburban District) to NC-6 (Public, Cultural and Recreational District). The site is located on the east side of LA Highway 1077, north of Laurent Road, south of Brewster Road. The 2025 Future Land Use Plan calls for the area to be developed with residential uses. Staff sees no compelling reason to support a request to rezone the site to commercial zoning in this location, based on the designation of the 2025 future land use plan and the fact that the site is surrounded by residential zoning. Aside from Madisonville Elementary School, most of the Hwy 1077 corridor is developed with residential uses on large parcels of land. The nearest commercially zoned parcels are located over 1 mile away to the south and to the north of this parcel.

Note that the site is proposed to be developed with a day care/aftercare facility and athletic training facility. If the Commission sees fit to support a zoning change for this site, other less intensive zoning classifications should be considered such as ED-1 Primary Educational District and CB-1 Community Based Facilities District.

STAFF RECOMMENDATION:

The staff recommends that the request for a NC-6 (Public, Cultural and Recreational District) designation be denied.
