Escrow Fees - Mandeville Moratorium; LRA Grant

Reno Hills Sewer Collection System
Improvements

The Parish Government, under a Louisiana Recovery Authority (LRA) grant, is going to construct a new sewer collection and conveyance system in the Reno Hills area. The project construction consists of 20,680 linear feet and 8" diameter sanitary sewer mains and associated appurtenances, a sewage lift station and 7,781 linear feet of 6", 10", and 12" sewer force mains in the Reno Hills area and along LA Hwy 59 and LA Hwy 1088. The project will also connect 330 residences to the new sewer system. Of the 330 residents, 117 are eligible for the no cost tie-in because they meet the grant's income eligibility requirements. 213 area residents do not qualify for the no-cost tie-in. The resolution proposes to transfer all of the escrow fees to the Reno Hills project in order fund the tie-ins for the ineligible residents to the new sewer system.
