### SITE ASSESSMENT

#### ACCESS ROAD INFORMATION

Type: Parish

Road Surface: 2 lane asphalt

Condition: Good

#### LAND USE CONSIDERATIONS

##### SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Industrial	I-1 (Industrial District)
South	Residential	A-4A (Single Family Residential District)
East	Commercial	HC-3 (Highway Commercial District)
West	Industrial	I-1 (Industrial District)

#### EXISTING LAND USE:

Existing development? No

Multi occupancy development? Yes

#### COMPREHENSIVE PLAN:

**Commercial Infill** – New commercial uses developed on undeveloped tracts within existing commercial districts that are compatible with, or improve upon, those existing uses. Such uses may be allowed a greater density of use, in exchange for public benefits that would be provided.

#### STAFF COMMENTS:

The petitioner is requesting to change the zoning from HC-3 (Highway Commercial District) to I-2 (Industrial District). The site is located on the north side of Browns Village Road, west of US Highway 11. The 2025 future land use plan designates the site to be developed with commercial uses. The site is currently undeveloped and surrounded on the north and west sides by the J.F. Smith industrial park, on the east side by a commercial shopping center and on the south side by single family residences. Staff feels that the I-2 Industrial Zoning District may be too intense, considering the presence of single family residences on the south side of Browns Village Road. However, considering the intensity of the permitted uses listed under the existing HC-3 zoning district, staff would not object to the rezoning of the property to I-1 Industrial District.

#### STAFF RECOMMENDATION:

The staff recommends that the request for an I-2 (Industrial District) designation be denied.
