**LAND USE CONSIDERATIONS**

**SURROUNDING LAND USE AND ZONING:**

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Residential	A-2 (Suburban District)
South	Agricultural	A-2 (Suburban District)
East	Residential	A-2 (Suburban District)
West	Residential	A-2 (Suburban District)

**EXISTING LAND USE:**

**Existing development?** No **Multi occupancy development?** No

**COMPREHENSIVE PLAN:**

**Residential** - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

**STAFF COMMENTS:**

The petitioner is requesting to change the zoning from A-2 (Suburban District) to A-2 (Suburban District) & RO (Rural Overlay). The site is located on the south side of Wager Cemetery Road, west of Perrilloux Road, being 114 Wager Cemetery Road, Madisonville. The 2025 future land use plan calls for the area to be developed with residential uses including agricultural uses. The Rural Overlay is being requested in order to construct an agricultural building on the site. Staff does not have any objections to the request considering that it meets the objectives of the 2025 future land use plan and fits with the rural setting of the area.

**STAFF RECOMMENDATION:**

The staff recommends that the request for a RO (Rural Overlay) designation be approved.
