LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Undeveloped	A-2 Suburban District
South	Undeveloped	A-2 Suburban District
East	Undeveloped	A-2 Suburban District & PUD Planned Unit Development Overlay
West	Residential/ Undeveloped	A-2 Suburban District

EXISTING LAND USE:
Existing development? No

Multi occupancy development?
No

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as “village or town residential” may include mixed uses and would have the highest number of units per acre, while “Rural residential” would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-2 (Suburban District) to A-2 (Suburban District) & RO (Rural Overlay). The site is located on the west side of LA Highway 434, east of P. W. Vortisch Road. The 2025 Future Land Use Plan calls for the area to be developed with residential uses. Considering the rural character of the area, staff does not have any objection to the request for a Rural Overlay.

STAFF RECOMMENDATION:

The staff recommends that the request for a RO (Rural Overlay) designation be approved.
