LAND USE CONSIDERATIONS
SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Residential	A-1 (Suburban District)
South	Residential/Undeveloped	A-1 (Suburban District)
East	Residential	A-1 (Suburban District)
West	Undeveloped	A-1 (Suburban District)

EXISTING LAND USE:
Existing development? Yes

Multi occupancy development? Yes

COMPREHENSIVE PLAN:
Residential/ Agricultural - Agricultural and related or other active or passive uses that use or preserve the countryside, forests and other areas and rural residential uses – widely ranging in dwelling size or type, siting and organization; both of which are generally located some distance from more intense land uses. Permitted uses include single-family residential, and uses ancillary to either of these primary uses. Other uses require a change in zoning.

STAFF COMMENTS:
The petitioner is requesting to change the zoning from A-1 (Suburban District) to A-2 (Suburban District). The site is located on the south side of Pine Acres Road, east of LA Highway 437. The 2025 future land use plan calls for the area to be developed with residential and agricultural uses. Considering that the site is surrounded by residential & undeveloped land zoned A-1 Suburban District, staff does not see any compelling reason to recommend approval.

STAFF RECOMMENDATION:
The staff recommends that the request for an A-2 (Suburban District) designation be denied.
