North	Undeveloped	A-3 (Suburban District)
South	Undeveloped	A-3 (Suburban District)

EXISTING LAND USE:

Existing development? No

Multi occupancy development? No

COMPREHENSIVE PLAN:

Conservation – Areas designated for uses of land, water, flora and fauna that appear naturally. Such uses may include such activities as extraction or production for commerce; human enjoyment, hunting, fishing, or other recreation within natural landscapes; or preservation of natural systems. The concept of “conservation” includes a private landowner’s understanding of responsibility to wisely manage land resources so that they remain in good condition for future generations (often simple referred to as “good stewardship”); this concept may also include the conservation of energy through efficient transportation options as well as through climate responsive building design, as well as the conservation of historic, scenic, or otherwise serviceable buildings and landscapes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-3 (Suburban District) to A-3 (Suburban District) & MHO (Manufactured Housing Overlay). The site is located on the corner of Bobby Jones & Green Street, being lots 1 & 20, Square 45, Hillcrest Country Club Subdivision. The 2025 future land use plan calls for the area to be developed with uses that would allow for the conservation of the natural resources of the site. Staff does not have any objections to the request, as there some manufactured homes within the subdivision.

STAFF RECOMMENDATION:

The staff recommends that the request for a MHO (Manufactured Housing Overlay) designation be approved.
