LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Cemetery	A-1A- Suburban District
South	Residential	A-1A - Suburban District
East	Residential	A-2 - Suburban District
West	Residential	A-1A- Suburban District

EXISTING LAND USE:

Existing development? Yes **Multi occupancy development?** No

COMPREHENSIVE PLAN:

Residential/ Agricultural - Agricultural and related or other active or passive uses that use or preserve the countryside, forests and other areas and rural residential uses – widely ranging in dwelling size or type, siting and organization; both of which are generally located some distance from more intense land uses. Permitted uses include single-family residential, and uses ancillary to either of these primary uses. Other uses require a change in zoning.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-1A (Suburban District) to A-2 (Suburban District). The site is located on the east side of Atwood Road, west of Lee Road, being 19423 Atwood Road, Covington. The 2025 Future Land Use Plan calls for residential and agricultural uses in the area. The surrounding area is mainly residential homes on large parcels. Staff sees no compelling reason to increase the density in the area.

STAFF RECOMMENDATION:

The staff recommends that the request for an A-2 (Suburban District) designation be denied.
