LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Residential	A-5 Two Family Residential District
South	Undeveloped	A-5 Two Family Residential District
East	Commercial	HC-2 Highway Commercial District
West	Undeveloped	A-5 Two Family Residential District

EXISTING LAND USE:

Existing development? Yes

Multi occupancy development? No

COMPREHENSIVE PLAN:

Commercial - Sales outlets for goods and services. Several levels or forms of commercial structures include: limited or specialty; neighborhood service centers; generous "highway commercial" uses; offices; public uses; planned mixed commercial and residential centers, and the traditional village or town central business district.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-5 (Two family Residential District) to HC-1 (Highway Commercial District). The site is located on the east side of 10th Street and on the west side of 9th Street, north of LaSalle Street, south of Marquette Street, being lots 5,6,7,8,33,34,35 & 36, Square 28, Chinchuba Subdivision. The 2025 Future Land Use Plan designates this area to be developed with commercial uses. There is an existing dental office on the site. Staff does not object to the request to rezone the property to commercial; however, a less intense classification of zoning would be more appropriate and would allow a dental office.

Note that the site was zoned C-1 Neighborhood Commercial, prior to the Comprehensive Rezoning.

STAFF RECOMMENDATION:

The staff recommends that the request for a HC-1 (Highway Commercial District) designation be denied.
