WHEREAS, the St. Tammany Parish Department of Public Works is able to provide its equipment, expertise and labor at a reasonable cost to assist the Town in the furtherance of the Project; and

WHEREAS, both the Parties desire to enter into this Agreement for the purpose of setting out each Party’s duties and obligations in the furtherance of this Project; and

NOW THEREFORE, in consideration of the mutual benefits and covenants contained in this Agreement, the Parties agree and bind their respective offices as follows:

1. **Public Purpose:** The Parties acknowledge and agree that the public purposes for this Agreement are to allow a safe and orderly flow of vehicular traffic within and around unincorporated areas of St. Tammany Parish.

2. **Town Obligations:**

2.1 The Town shall design the Project and provide a written scope of work to Parish for the Project.

2.2 The scope of work shall include a certification from Town that all work to be performed by Parish for the Project is on public property within the corporate limits of the Town of Pearl River. Such certification shall also include any documentation deemed reasonably necessary by Parish to confirm the public nature of the work to be performed.

2.3 Upon receipt from Parish of the estimate of cost of the scope of work for the Project, Town shall accept or decline such estimate within a reasonable amount of time

2.4 The Town agrees to reimburse the Parish for materials, use of Parish's equipment and labor. Provided, however, reimbursement shall be based on actual costs incurred by Parish and not the estimate provided.

2.5 Within fifteen (15) days of the receipt of the Parish's invoice for the work performed, the Town will issue payment for the work performed.

3. **Parish Obligations**

3.1 The Parish will provide the Town with an estimate of the costs of the Project work to be performed based on the Project design and scope of work provided by Town pursuant to Section 2.1.

4. Term

- 4.1** The term of this Agreement shall begin on the date of full execution by both parties hereto and end three (3) years thereafter (the "Term"). Thereafter, this Agreement shall automatically renew for additional one (1) year periods, unless either Party provides notice of termination sixty (60) days in advance of the then-current Term.
- 4.2** Either Party shall have the option to terminate this Agreement for any reason upon thirty (30) days written notice to the other Party. However, should the Parish perform any work prior to termination by Town, then Town shall reimburse the Parish for cost of work performed prior to termination.
- 4.3** The continuation of this Agreement is contingent upon the appropriation of funds by the Parties to fulfill the requirements of the Agreement. If the Parties fail to appropriate sufficient monies to provide for the continuation of this Agreement, or if such appropriation is reduced by a veto or by any other means provided in the appropriations ordinance to prevent the total appropriation for the year from exceeding revenues for that year, or for any other lawful purpose, and the effect of such reduction is to provide insufficient monies for the continuation of the Agreement, the Agreement shall terminate on the date of the beginning of the first fiscal year for which funds are not appropriated.

5. Miscellaneous Provisions

- 5.1** Time is of the essence and the performance of the terms and conditions hereof shall be held in strict accordance with the times and dates specified herein.
