SITE ASSESSMENT

ACCESS ROAD INFORMATION

Type: Parish

Road Surface: 2 Lane, Asphalt

Condition: Fair

LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Residential	A-2 Suburban District
South	Undeveloped	A-2 Suburban District
East	Residential	A-1A Suburban District
West	Residential	A-2 Suburban District

EXISTING LAND USE:

Existing development? No

Multi occupancy development? No

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-2 (Suburban District) to A-2 (Suburban District) & MHO (Manufactured Housing Overlay). The site is located on the west side of Avery Drive, south of Heathermist Drive, being 209 Avery Drive, Slidell. The 2025 Future Land Use Plan calls for the area to be developed with residential uses including manufactured homes. Considering that there are numerous mobile homes in the vicinity, staff does not object to the request.

STAFF RECOMMENDATION:

The staff recommends that the request for a MHO (Manufactured Housing Overlay) designation be approved.
