LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Undeveloped	A-4 Suburban District
South	Residential	A-4 Suburban District
East	Residential	A-4 Suburban District
West	Undeveloped	A-4 Suburban District

EXISTING LAND USE:

Existing development? No

Multi occupancy development? No

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-4 (Single Family Residential District) to A-4 (Single Family Residential District) & MHO (Manufactured Housing Overlay). The site is located on the north side of Nina Drive, west of Transmitter Road, being lots 23 & 24, Square 9, Oaklawn East Subdivision. The 2025 Future Land Use Plan calls for residential development in the area including mobile homes. There are several mobile homes in close proximity to the subject parcel. Staff does not object to the request.

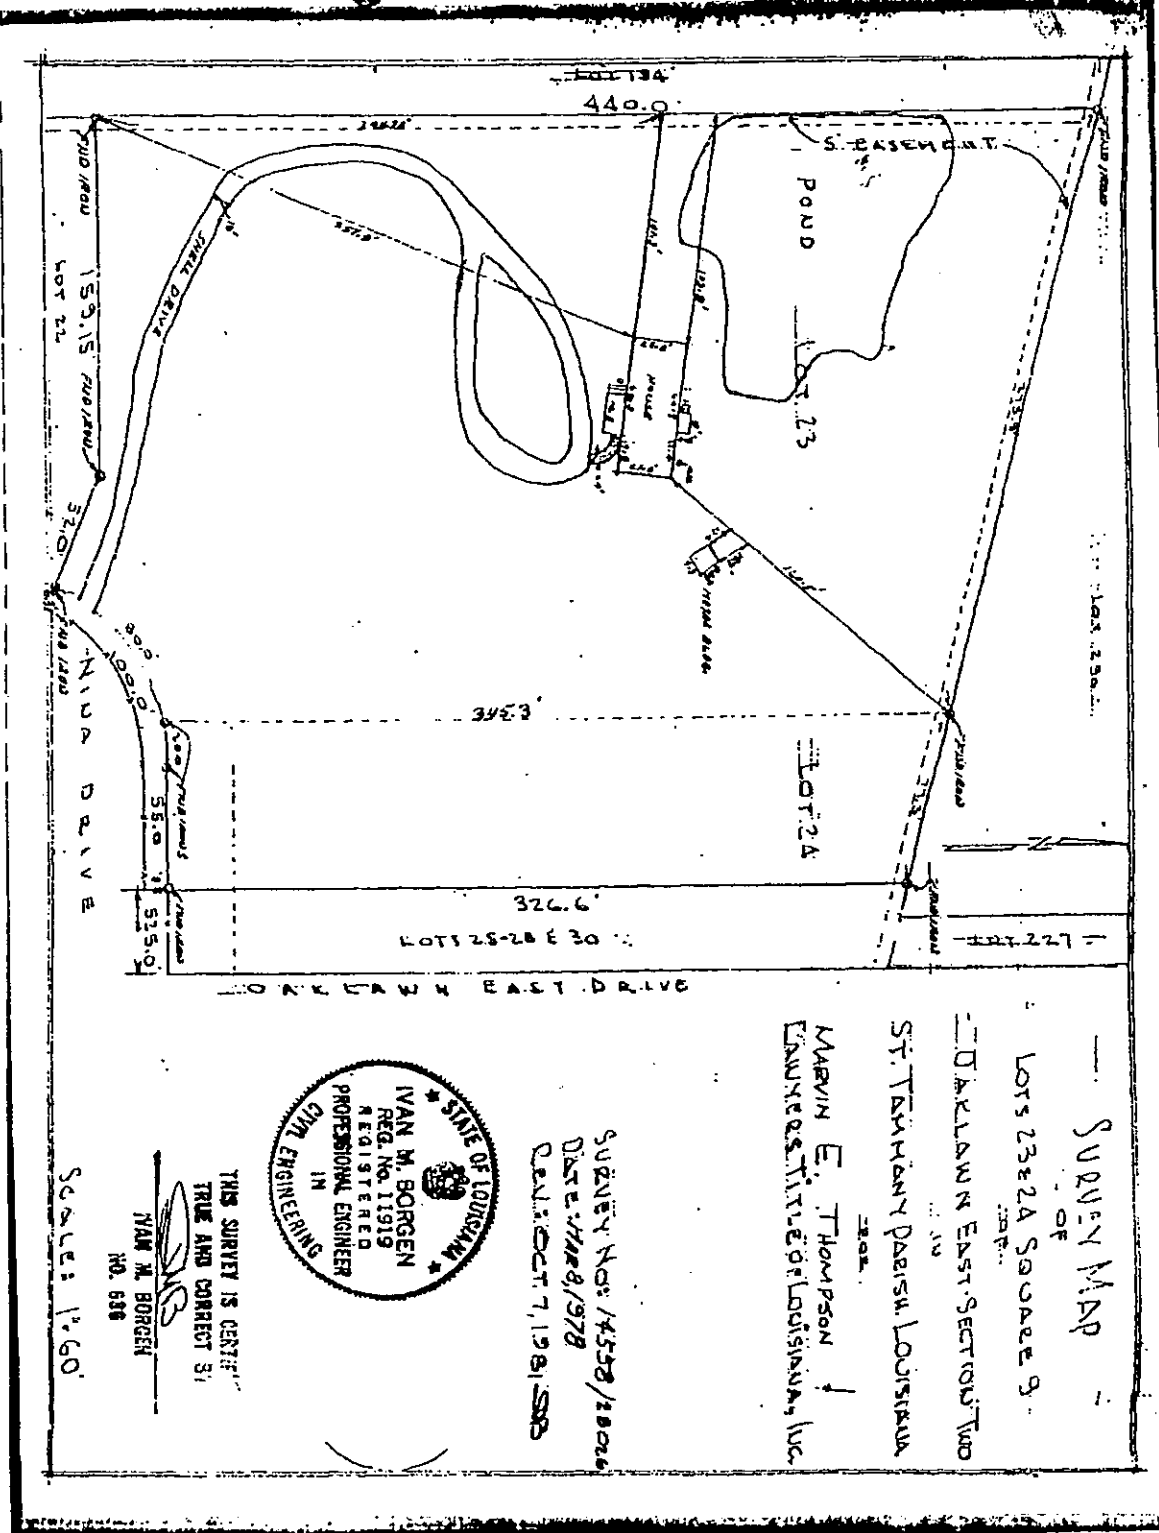

Note: A zoning change (ZC11-08-067) to MHO was previously requested, for the same site. The Zoning Commission granted approval at the hearing; however, it was denied by the Council, after hearing the appeal.

STAFF RECOMMENDATION:

The staff recommends that the request for a MHO (Manufactured Housing Overlay) designation be approved.
