LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Residential	A-4 Suburban District
South	Undeveloped	HC-2 Highway Commercial District
East	Residential	A-4 Suburban District
West	Residential	A-4 Suburban District

EXISTING LAND USE:

Existing development? No

Multi occupancy development? Yes

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-4 (Single-Family Residential District) to A-4A (Single-Family Residential District). The site is located on the northeast corner of Orleans Street & Foy Street, being a portion of Square 140, Town of Mandeville. The 2025 Future Land Use Plan calls for the area to be developed with residential uses. The site is abutting HC-2 on the south side of Orleans street and single family residences developed 50' wide lots on east side of the site. However, the north and west sides of the site, along Foy Street, are developed with single family residences on lot of 90' wide or larger. Staff is not completely opposed to the request, but remain concerned by the fact that A-4A would allow the creation of 4 lots.

STAFF RECOMMENDATION:

The staff recommends that the request for an A-4A (Single-Family Residential District) designation be denied.
