LOCATION: Parcel located on the south side of Gottschalk Road, west of LA Highway 1077, being 10526 Gottschalk Road, Covington; S18,T6S,R10E; Ward 1, District 1

ACCESS ROAD INFORMATION

Type: Parish **Road Surface:** 2 lane asphalt **Condition:** Good

LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Residential	A-2 (Suburban District)
South	Undeveloped	A-1 (Suburban District)
East	Undeveloped	A-1A (Suburban District)
West	Residential	A-1 (Suburban District)

EXISTING LAND USE:

Existing development? Yes **Multi occupancy development?** Yes

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-1 (Suburban District) to A-2 (Suburban District) & MHO (Manufactured Housing Overlay). The site is located on the south side of Gottschalk Road, west of LA Highway 1077, being 10526 Gottschalk Road, Covington. The 2025 future land use plan calls for the area to be developed with residential uses including manufactured homes. The site is surrounded by a mix of different zoning categories: A-1 on the south & west sides, A-1A to the east and A-2 to the north. There is also a 7 acre parcel of land, located approximately 500 feet west of the site, zoned to A-2 (ZC11-06-052). Staff does not have any objections to rezoning request to MHO Manufactured Home Overlay. However, the request to rezone the site to A-2 is a concern, considering that it could potentially allow the creation of 3 parcels of land, and cause a significant increase of the density in the area.

STAFF RECOMMENDATION:

The staff recommends that the request for an A-2 (Suburban District) designation be denied and the request for a MHO (Manufactured Housing Overlay) designation be approved.
