**SITE ASSESSMENT**

**ACCESS ROAD INFORMATION**

**Type:** Parish

**Road Surface:** 2 Lane, Asphalt

**Condition:** Good

**LAND USE CONSIDERATIONS**

**SURROUNDING LAND USE AND ZONING:**

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Undeveloped	A-1 Suburban District
South	Undeveloped	A-1 Suburban District
East	Undeveloped	A-1 Suburban District
West	Undeveloped	A-1 Suburban District

**EXISTING LAND USE:**

**Existing development?** No

**Multi occupancy development?** No

**COMPREHENSIVE PLAN:**

**Residential** - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as “village or town residential” may include mixed uses and would have the highest number of units per acre, while “Rural residential” would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

**STAFF COMMENTS:**

The petitioner is requesting to change the zoning from A-1 (Suburban District) to AT-1 (Animal Training/Housing District). The site is located on the east side on the Isabel Swamp Road, north of LA Highway 40. The 2025 Future Land Use Plan calls for the area to be developed with residential and rural uses. Staff does not object to the request for rezoning as the area is mainly undeveloped and the AT-1 zoning would not be incompatible with existing surrounding.

Note: The purpose of this rezoning is to allow for a cell tower on the site, which will allow to provide service in the area.

**STAFF RECOMMENDATION:**

The staff recommends that the request for an AT-1 (Animal Training/Housing District) designation be approved.
