**LAND USE CONSIDERATIONS**

**SURROUNDING LAND USE AND ZONING:**

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Undeveloped	A-1 Suburban District
South	Residential	A-2 Suburban District
East	Residential/Undeveloped	A-1 Suburban District
West	Residential/Undeveloped	A-3 Suburban District

**EXISTING LAND USE:**

<b>Existing development?</b> Yes	<b>Multi occupancy development?</b> No
----------------------------------	--

**COMPREHENSIVE PLAN:**

**Residential** - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as “village or town residential” may include mixed uses and would have the highest number of units per acre, while “Rural residential” would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

**STAFF COMMENTS:**

The petitioner is requesting to change the zoning from A-1 (Suburban District) to A-2 (Suburban District). The site is located on the south side of Joiner Wymer Road, west of LA Highway 1077. The 2025 Future Land Use calls for the area to be developed with residential uses. The site abuts A-1 Suburban zoning on the east side and A-3 Suburban zoning on the west side. Staff is in favor of the requested zoning change to A-2, considering that it would create a transition between the abutting A-1 and A3 zoned properties. Staff does not object to the request.

**STAFF RECOMMENDATION:**

The staff recommends that the request for an A-2 (Suburban District) designation be approved.
