## ADMINISTRATIVE COMMENT

The resolution indicates St. Tammany Parish's endorsement of an application for the benefits afforded businesses that create new jobs within the parameters indicated below. It only affects State taxes.

The Enterprise Zone (EZ) Program is a JOBS incentive program creating Louisiana Income and/or Franchise Tax job tax credits (JTC) to a business hiring at least 35% of their net new jobs from one of four Certification Requirements (Requirements). The jobs must be filled with a US citizen domiciled in LA or becomes domiciled within 60 days after employment. A business must create full-time permanent **net** new jobs at the EZ site. A business **is not required to be located in an EZ**. Only if the job requirement is met, sales/use tax rebates or a refundable investment tax credit is available.

EZs are areas residents receiving public assistance is high. The Board of Commerce and Industry (Board) approves EZ applications. The Louisiana Economic Development (LED), Business Incentives Services (BIS) administers this Program.
