LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Undeveloped	A-1 (Suburban District)
South	Residential	A-1 (Suburban District)
East	Undeveloped	A-3 (Suburban District)
West	Undeveloped	A-1 (Suburban District)

EXISTING LAND USE:

Existing development? Yes **Multi occupancy development?** No

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes. The 2025 Future Land Use Plan calls for the area to be developed with agricultural and residential uses. Staff Sees no compelling reason to increase the density considering the area is surrounded on three sides with A-1A zoned property.

Agriculture (nursery, sod) - Use of land for horticulture, floriculture, and the necessary or associated uses for packing, treating, storing the produce or using it for education.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-1 (Suburban District) to A-2 (Suburban District) & MHO (Manufactured Housing Overlay). The site is located on the west side of Bunny Lane, south of Joiner Wymer Road. The 2025 Future Land Use Plan calls for the area to be developed with agricultural and residential uses. Staff does not see any compelling reason to increase the density of the area considering that the parcel is surrounded on three sides by A-1 zoned property. However, staff does not have any objections to the request for a MHO (Manufactured Housing Overlay).

STAFF RECOMMENDATION:

The staff recommends that the request for an A-2 (Suburban District) designation be denied and the request for a MHO (Manufactured Housing Overlay) designation be approved.
