LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Multi Family	NC-1 (Professional Office District)
South	Commercial	NC-1 (Professional Office District)
East	Commercial	HC-2 (Highway Commercial District)
West	Undeveloped	A-5 (Two Family Residential District)

EXISTING LAND USE:

Existing development? Yes **Multi occupancy development?** No

COMPREHENSIVE PLAN:

Commercial - Sales outlets for goods and services. Several levels or forms of commercial structures include: limited or specialty; neighborhood service centers; generous "highway commercial" uses; offices; public uses; planned mixed commercial and residential centers, and the traditional village or town central business district.

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from NC-1 (Professional Office District) to ED-1 (Primary Education District). The parcels are located on the east side of 8th Street, on the west side of 7th Street and on the north side of Iberville, being lots 11, 12, 13, 14, 7 & 8, Chinchuba Subdivision. The 2025 future land use plan calls for the area to be developed with commercial & residential uses. Staff does not have any objection to the request considering that the site is surrounded on the south and east sides by commercial uses and that ED-1 zoning district allows for school facilities, which would be a compatible use with the surrounding area.

Note that the zoning change is being requested in order to make the existing Montessori school conform with the appropriate zoning and to allow for expansion of the use within an existing adjacent building.

STAFF RECOMMENDATION:

The staff recommends that the request for an ED-1 (Primary Education District) designation be approved.
