LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Commercial	HC-3 (Highway Commercial District)
South	Industrial	I-1 (Industrial District)
East	Undeveloped	HC-2 (Highway Commercial District)
West	Residential	I-1 (Industrial District)

EXISTING LAND USE:

Existing development? Yes

Multi occupancy development? Yes

COMPREHENSIVE PLAN:

Commercial - Sales outlets for goods and services. Several levels or forms of commercial structures include: limited or specialty; neighborhood service centers; generous "highway commercial" uses; offices; public uses; planned mixed commercial and residential centers, and the traditional village or town central business district.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from I-1 (Industrial District) to HC-2 (Highway Commercial District). The site is located at the southwest corner of LA Highway 59 & Soell Drive, being 70271 LA Highway 59, Abita Springs. The 2025 future land use plan calls for the site to be developed with commercial uses. Staff does not have any objection to the request as there are some existing commercial uses in the area.

Note that the zoning change is being requested to allow commercial uses within the existing multi occupancy building.

STAFF RECOMMENDATION:

The staff recommends that the request for a HC-2 (Highway Commercial District) designation be approved.
