SITE ASSESSMENT

ACCESS ROAD INFORMATION

Type: Parish **Road Surface:** 2 lane asphalt **Condition:** Good

LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Undeveloped	A-3 (Suburban District)
South	School	City of Slidell
East	Residential	City of Slidell
West	Residential	A-3 (Suburban District)

EXISTING LAND USE:

Existing development? Yes **Multi occupancy development?** No

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as “village or town residential” may include mixed uses and would have the highest number of units per acre, while “Rural residential” would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-3 (Suburban District) to ED-1 (Primary Education District). The site is located on the north side of Liberty Drive, west of Carroll Road, being 35647 Liberty Drive, Slidell. The 2025 future land use plan calls for the site to be developed with a single family residential use. Staff feels that there is no compelling reason to recommend approval, considering that the north side of Liberty Drive is currently developed with residential uses.

Note that there is an existing building on the site, which was previously operated as a daycare (CP93-03-026). The zoning change is being requested in order to make the site conform to the appropriate zoning to reopen the daycare facility.

STAFF RECOMMENDATION:

The staff recommends that the request for an ED-1 (Primary Education District) designation be denied.
