ADMINISTRATIVE COMMENTS
(REV13-05-001 - Revocation of a Portion of Bryan Drive)

Overview:

The applicant owns property to the south of the proposed 30' wide strip of land to be revoked, and plans on using the revoked property in conjunction with their own property to develop a "Racetrac" gas station facility.

Staff Recommendation:

The staff believes that the proposal is consistent relative to the Louisiana Revised Statutes governing the revocation of immovable property since the right-of-way does not appear to serve any public use or benefit, other than to the applicant. Therefore, the staff has no objections to the proposed revocation request subject to the revoked strip of land being assimilated into the owners property through the parish's administrative resubdivision process.

Planning Commission Recommendation:

The Planning Commission recommended adoption by unanimous vote.
