LAND USE CONSIDERATIONS
SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Single Family Residence	HC-2 (Highway Commercial District
South	Single Family Residence	HC-2 (Highway Commercial District
East	Single Family Residence	HC-2 (Highway Commercial District
West	Single Family Residence	HC-2 (Highway Commercial District

EXISTING LAND USE:
Existing development? No
Multi occupancy development? No

COMPREHENSIVE PLAN:
Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as “village or town residential” may include mixed uses and would have the highest number of units per acre, while “Rural residential” would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:
The petitioner is requesting to change the zoning from HC-2 (Highway Commercial District) to A-5 (Two-Family Residential District). The site is located on the north side of Orleans Street, east of LA Highway 59, being lot 26, Square 143, Town of Mandeville. The 2025 future land use plan calls for the western half of Square 143 to be developed with commercial uses and for the eastern half, which includes the subject site, to be developed with residential uses. At this time, staff feels that there is no compelling reason to recommend approval.

STAFF RECOMMENDATION:
The staff recommends that the request for an A-5 (Two-Family Residential District) designation be denied.
