ACCESS ROAD INFORMATION

LAND USE CONSIDERATIONS
SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Commercial	A-2 Suburban District
South	Undeveloped	A-2 Suburban District
East	Residential	A-2 Suburban District
West	Undeveloped	A-2 Suburban District

EXISTING LAND USE:
Existing development? Yes
Multi occupancy development? No

COMPREHENSIVE PLAN:
Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as “village or town residential” may include mixed uses and would have the highest number of units per acre, while “Rural residential” would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:
The petitioner is requesting to change the zoning from A-2 (Suburban District) to I-1 (Industrial District). The site is located on the west side of Josephine Street, south of LA Highway 36, being 72100 Josephine Street, Covington. The 2025 Future Land Use Plan calls for the area to be used for residential purposes. There is an existing warehouse on the property. Staff feels that the requested zoning change to I-1 Industrial is too intense considering that the area is developed with single family residences and undeveloped land.

Note: Prior to the Comprehensive Rezoning the parcel was zoned M-1 Industrial.

STAFF RECOMMENDATION:
The staff recommends that the request for an I-1 (Industrial District) designation be denied.
