LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Fire Station	PF-1 Public Facilities District
South	Residential	A-2 Suburban District
East	Residential	A-2 Suburban District
West	Multi Family	A-2 Suburban District

EXISTING LAND USE:

Existing development? No

Multi occupancy development? No

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-2 (Suburban District) to PF-1 (Public Facilities District). The site is located on the east side of Fuschia Street, south of Harrison Avenue.

The 2025 Future Land Use Plan calls for this area to be developed with residential uses. There is a fire station currently under construction on the abutting property. The zoning change is being requested to allow for future expansion of the fire station.

STAFF RECOMMENDATION:

The staff recommends that the request for a PF-1 (Public Facilities District) designation be approved.
