REQUESTED CHANGE: From A-2 (Suburban District) to ED-1 (Primary Education District)

SITE ASSESSMENT

ACCESS ROAD INFORMATION

Type: Private

Road Surface: Gravel

Condition: Fair

LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Residential	A-2 Suburban District
South	Residential	A-2 Suburban District
East	Residential	A-2 Suburban District
West	Residential	A-2 Suburban District

EXISTING LAND USE:

Existing development? Yes

Multi occupancy development? No

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-2 (Suburban District) to ED-1 (Primary Education District). The site is located on the south side of Hickory Drive, west of LA Highway 41. The 2025 Future Land Use Plan calls for the area to be developed with residential uses.

Note: There is an existing commercial structure on the site which was previously operated as a daycare under a Conditional Use Permit (CP 06-05-091). It appears that the requested rezoning is an attempt to bring the existing structure into compliance with the appropriate zoning district in order resume operation.

Staff does not object to the requested rezoning.

STAFF RECOMMENDATION:

The staff recommends that the request for an ED-1 (Primary Education District) designation be approved.
