Commercial - Sales outlets for goods and services. Several levels or forms of commercial structures include: limited or specialty; neighborhood service centers; generous "highway commercial" uses; offices; public uses; planned mixed commercial and residential centers, and the traditional village or town central business district. The 2025 Future Land Use Plan calls for planned districts with a mix of commercial and conservation uses in the area. There is an existing warehouse on the property. Staff does not object to the requested change to HC-2 Commercial.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from NC-1 (Professional Office District) & HC-2 (Highway Commercial District) to HC-2 (Highway Commercial District). The site is located on the east side of Park Place Drive, north of Northpark Blvd., being lot 41-A-1, Northpark, Phase II. The 2025 Future Land Use Plan calls for the area to be developed with commercial uses. There is an existing warehouse on the property. The zoning change is being requested in order to bring the existing use in compliance with the appropriate zoning. Staff does not object to the request.

Note: Prior to the Comprehensive Rezoning the property was zoned M-2 Industrial.

STAFF RECOMMENDATION:

The staff recommends that the request for a HC-2 (Highway Commercial District) designation be approved.
