LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Accessory Structure/Vacant	A-4 (Single-Family Residential District
South	Single Family Residence	A-4 (Single-Family Residential District
East	Mobile Home	A-4 (Single-Family Residential District
West	Single Family Residence	A-4 (Single-Family Residential District

EXISTING LAND USE:

Existing development? Yes

Multi occupancy development? Yes

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-4 (Single-Family Residential District) to A-4 (Single-Family Residential District) & MHO (Manufactured Housing Overlay). The site is located on the east side of Oak Avenue, south of Sycamore Street, being 57370 Oak Avenue Slidell and being lots 17, 18, 19, 20, 21 & 22, Square 9, Beverly Hills Subdivision. The 2025 future land use plan calls for the area to be developed with residential uses including manufactured homes. Staff does not have any objections to the request.

STAFF RECOMMENDATION:

The staff recommends that the request for a MHO (Manufactured Housing Overlay) designation be approved.
