LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Commercial	HC-2 Highway Commercial District
South	Commercial	HC-2 Highway Commercial District
East	Residential	A-3 Suburban District
West	Hwy 190 Service Road/ Residential	A-4 Suburban District

EXISTING LAND USE:

Existing development? No

Multi occupancy development? No

COMPREHENSIVE PLAN:

Commercial Infill – New commercial uses developed on undeveloped tracts within existing commercial districts that are compatible with, or improve upon, those existing uses. Such uses may be allowed a greater density of use, in exchange for public benefits that would be provided.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from HC-2 (Highway Commercial District) to HC-2A (Highway Commercial District). The site is located at the northeast corner of US Highway 190 Service Road East & Bodet Lane. The 2025 Future Land Use Plan calls for the are to be developed with commercial uses. The requested zoning change to HC-2A would not allow for more intense uses on the site; however, it would allow for an increase in the maximum building size from 40,000 square feet to 75,000 square. Considering the size of the site, staff does not have any objections to the request.

STAFF RECOMMENDATION:

The staff recommends that the request for a HC-2A (Highway Commercial District) designation be approved.
