### SITE ASSESSMENT

#### ACCESS ROAD INFORMATION

**Type:** Parish **Road Surface:** 2 lane asphalt **Condition:** Good

#### LAND USE CONSIDERATIONS

##### SURROUNDING LAND USE AND ZONING:

| <u>Direction</u> | <u>Land Use</u>           | <u>Zoning</u>           |
|------------------|---------------------------|-------------------------|
| North            | Undeveloped               | A-3 (Suburban District) |
| South            | Undeveloped & Residential | A-3 (Suburban District) |
| East             | Undeveloped               | A-3 (Suburban District) |
| West             | Undeveloped & Residential | A-3 (Suburban District) |

#### EXISTING LAND USE:

**Existing development?** Yes **Multi occupancy development?** Yes

#### COMPREHENSIVE PLAN:

**Residential** - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

**Agriculture (nursery, sod)** - Use of land for horticulture, floriculture, and the necessary or associated uses for packing, treating, storing the produce or using it for education.

#### STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-3 (Suburban District) to A-3 (Suburban District) & MHO (Manufactured Housing Overlay). The site is located at the end of Sallie Welch Road, east of LA Highway 434. The 2025 future land use plan calls for the area to be developed with agricultural uses and residential uses including manufactured homes. Staff does not have any objections to the request.

#### STAFF RECOMMENDATION:

The staff recommends that the request for a MHO (Manufactured Housing Overlay) designation be approved.
