Quote#: 304-00-17-14-1

Project Name: Hwy 22 ROW Fence

Quote Due Date: Thursday, March 9, 2017

QUESTIONS & ANSWERS:

Question #1: Pages 1-16 - 1-20 are plans referencing the project. The fence is overlaid in Red with Stations to acknowledge the start and stop placements of the proposed fencing. But a lot of other work is called out in Black print and doesn't match the Bid Form.

Q. It is unclear if any other work associated with this project is identified beyond the fencing.

Answer #1: The fence locations are overlaid in red, over the DOTD Plans for the project installing the sidewalk. This was done to show the relationship of the fence to the sidewalk. ONLY the information in RED is pertinent to this project.
