Addendum No.: 1

RFP#: 136-00-17-07-3

Project Name: Economic Development Districts Lawn Maintenance

Bid Due Date: Wednesday, April 5, 2017

GENERAL INFORMATION:

1. Mandatory Pre-Bid Sign In Sheet. (attached)

2. In accordance with St. Tammany Parish Code of Ordinance, SEC. 20-002.20 Herbicides Prohibited

It shall be unlawful for any person, group, company, corporation or organization to apply, use, or incorporate the use of any herbicide, including but not limited to, those registered with and/or approved by the U. S. Environmental Protection Agency or the Louisiana Department of Agriculture and Forestry, for the management, control, eradication or maintenance of weeds, grass, trees, shrubs, foliage, vegetation or other natural growth in any parish right-of-way, ditch, servitude, drainage area, roadside, road shoulder, green area, buffer zone, waterway, neutral ground or median in the unincorporated areas of St. Tammany Parish. (Ord. No. 853, adopted 07/20/78; amended by Ord. No. 93-1789, adopted 08/19/93)

CROSS REFERENCE: See also in Sections 11-066.00, .01, .03, and 11-066.05; See also in Sections 15-005.00, .01, .03, and 15-115.05.

3. In accordance with St. Tammany Parish Code of Ordinance, SEC. 15-005.00 Herbicides Prohibited

It shall be unlawful for any person, group, company, corporation or organization to apply, use, or incorporate the use of any herbicide, including but not limited to, those registered with and/or approved by the U. S. Environmental Protection Agency or the Louisiana Department of Agriculture and Forestry, for the management, control, eradication or maintenance of weeds, grass, trees, shrubs, foliage, vegetation or other natural growth in any parish right-of-way, ditch, servitude, drainage area, roadside, road shoulder, green area, buffer zone, waterway, neutral ground or median in the

unincorporated areas of St. Tammany Parish. (Ord. No. 853, adopted 07/20/78; amended by Ord. No. 93-1789, adopted 08/19/93)

CROSS REFERENCE: See also in Section 11-066.00, .01, .03 and 11-066.05; see also in Sections 20-002.20 through 20-002.23.

4. In accordance with St. Tammany Parish Code of Ordinance, SEC. 15-005.01 Definitions

a) **Herbicide:** Any substance, chemical, toxic, element or composition thereof, commonly or professionally known, identified as, or used, for the purpose of destroying, eradicating, eliminating, killing, stunting or preventing weeds or the growth thereof. (Ord. No. 853, adopted 07/20/78; amended by Ord. No. 93-1832, adopted 10/21/93)

5. In accordance with St. Tammany Parish Code of Ordinance, SEC. 15-005.03

Exempt herefrom are hand held manual pump sprayers up to a maximum three (3) gallon capacity. (Ord. No. 853, adopted 07/20/78; amended by Ord. No. 93-1832, adopted 10/21/93)

QUESTIONS & ANSWERS:

Question 1: Should the Pesticide/Herbicide cost include ant treatment?

Answer 1: Yes, the Pesticide/Herbicide cost should include ant treatment.

Question 2: How many cuts this year?

Answer 2: We anticipate there will be 12 cuts during 2017.

Question 3: How many Pesticide/Herbicide applications are required this year?

Answer 3: The Contractor will be responsible for spot applications as needed for each Economic Development District throughout the contractual year.

Question 4: Are Contractors required to include all relative licenses (i.e. horticultural, spray applicator)?

Answer 4: Refer to Section 1.5 Proposal Response Format (J).

Question 5: If downed trees are in the maintenance area, is the Contractor responsible to have them removed?

Answer 5: The Contractor is not responsible to remove large felled trees. However, the Contractor shall notify St. Tammany Parish Government of such trees. The Contractor is responsible for small trees/limbs in the area of maintenance.

Question 6: Is the Contractor responsible for trimming tree lines at edge of the boundaries?

Answer 6: The Contractor will be responsible for any low hanging limb which might be in the way of cutting the area.

Question 7: Can you please verify if “Roundup” or equivalent can be used?

Answer 7: In accordance with Parish Ordinance No. 15-005.03 Exemptions. Handheld manual pump sprayers up to a maximum of three (3) gallon capacity can be used to spot spray small amounts of herbicides.
