**DEVELOPMENTAL AGREEMENTS**  
**Disposition Report for December 1, 2005**  
**Parish Council Meeting**

Developmental agreements are essentially a contract between the developer and the Parish which specifies what a developer is willing to provide, in terms of improving the infrastructure within a given area, in order to mitigate the impact of his new development. This may include a cash impact fee per lot, in-kind services, or a combination of both. Typically, each developmental agreement is recorded in the Parish Courthouse prior to the recordation of the final subdivision plats. If the agreement involves the collection of impact fees to satisfy the terms of the contract, the funds collected can be used for improvements within the respective Council District where the development is located. Typical projects whereby the funds can be allocated and expended are, but not limited to: road and drainage improvements, recreation, lighting, beautification, Tammany Trace enhancements and donations to non-profit organizations such as the Economic Development Foundation and St. Tammany Parish Animal Control.

**Del Sol, Ward 1, District 1**

The developer has agreed in principle to participate in the Parish's voluntary developmental agreement by agreeing to donate a one-time cash payment in advance in the amount of \$1,000.00 per lot for either reimbursement for expenses attributed to the road improvements project for LA Highway 1085, and/or for the road improvements project for LA Highway 1077.

***Note: All developmental agreements are subject to additional negotiations and or amendment prior to the final agreements being recorded for public record, if applicable.***
