South	Undeveloped	C-2 (Highway Commercial) District
East	Single Family Residence	SA (Suburban Agricultural) District
West	Single Family Residence	C-2 (Highway Commercial) District

Existing development? No

Multi occupancy development? Yes

STAFF COMMENTS:

Petitioner is requesting a Conditional Use permit for 2 Duplexes. The site is located on the west side of Guillory Road, north of US Highway 190. A site and landscape plan has been provided meeting all the Parish Requirements. Considering that the site is zoned commercial, in close proximity to Hwy 190, and mostly surrounded by singlefamily residential uses, staff feels that the proposed use is would be appropriate for the property.

STAFF RECOMMENDATIONS:

The staff recommends approval of this proposal, subject to all applicable regulations and the following conditions:

1. Provide 1 Class A tree in island at the end of each row.
2. Access ways through the periphery of an off-street parking or other vehicular use area shall be a minimum of 24' to a maximum of 35' wide for 2-way traffic; and a minimum of 12' to 15' wide for one-way traffic.
3. Provide a landscape plan showing the size and location of all existing trees to be preserved and any new plant materials to meet the applicable landscaping requirements. Provide the size, caliper and species of the proposed trees on the revised landscape plan. Note that Class A trees have to be a minimum of 10' to 12' high & Class B trees have to be a minimum of 8' to 10' high after planting. The caliper of Class A trees has to be a minimum of 2 1/4" and the caliper of Class B trees has to be a minimum of 1 1/2" measured at 1 1/2 feet above the ground.
4. If a dumpster is required, provide the location and the required screening.
5. The property owner shall be responsible for the maintenance and the replacement of the required plant materials.
6. During construction, planting or open ground areas surrounding preserved trees shall be wired off with a properly flagged, reinforced & rolled wire mesh.
7. Provide an exterior lighting plan so all exterior lighting shall be shaded or inwardly directed in such a manner so that no direct lighting or glare is cast beyond the property line. The intensity of such lighting shall not exceed one foot candle as measured at the abutting property line. Outdoor lighting illumination shall follow the recommended guidelines for the luminescence as established in the IESNA Lighting Handbook.

NOTE TO PETITIONER

There is a 10 day appeals period following the Zoning Commission decision. If the request is approved, permits will not be issued until this 10 day period has elapsed. The petitioner shall have one year to obtain the appropriate building permits or occupy the site from the date of approval of the St. Tammany Parish Zoning Commission, unless otherwise stipulated by the St. Tammany Parish Zoning Commission.
