LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Undeveloped Commercial	C-2 (Highway Commercial) District
South	Undeveloped	LC (Light Commercial) District
East	Undeveloped	LC (Light Commercial) District
West	Undeveloped	LC (Light Commercial) District

EXISTING LAND USE:

Existing development? No **Multi occupancy development?** No

COMPREHENSIVE PLAN:

Residential Infill – New residential uses developed on undeveloped tracts within existing residential districts that are compatible with, or improve upon, those existing uses. Such uses may be allowed a greater density of use, in exchange for public benefits that would be provided.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from LC (Light Commercial) District to C-2 (Highway Commercial) District. The site is located at the end of Hollycrest Lane, east of US Highway 190. The parcel currently does not have any road access. The comprehensive plan calls for the parcel to be developed with residential uses. Although, the adjoining parcels are zoned Commercial, staff feels that there is no compelling reason to increase the intensity of use for this parcel.

STAFF RECOMMENDATION:

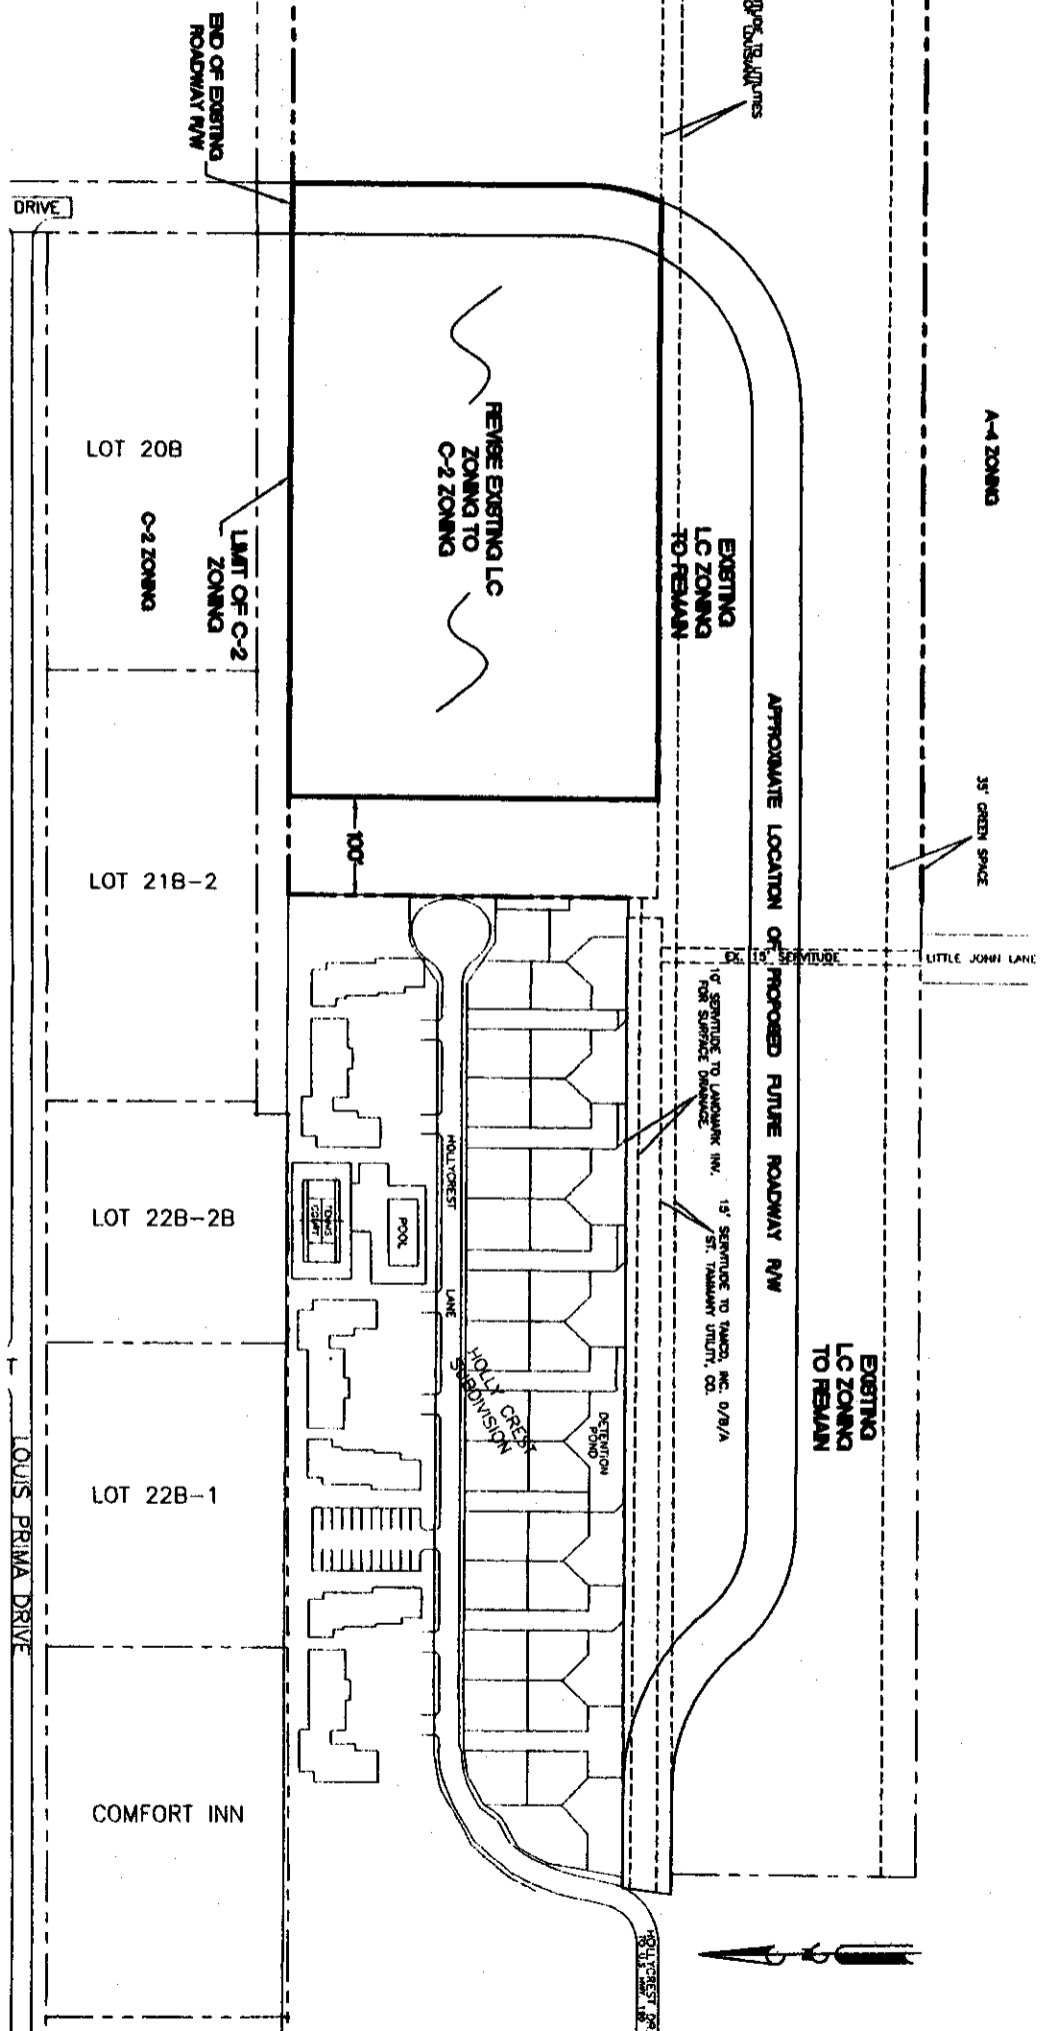

The staff recommends that the request for a C-2 (Highway Commercial) District designation be denied.
