**AB2006-01 Ework Departmental Notes**

<b>Date</b>	<b>Department</b>	<b>Author</b>	<b>Note</b>
8/8/2006	Special Revenue	B Thompson	Annexation includes 2 parcels: 13.4 acres to be zoned for commercial use, 137.04 acres to be zoned for residential use.
8/8/2006	Special Revenue	B Thompson	Having much difficulty getting the Town of Abita Springs to submit annexation request in a timely manner. Received a copy of the Property Description and owner name from Jeff Schoen, the lawyer who is representing the owners. 6/30/2006 - Sent annex process to Cindy Murry. Numerous phone conversations with Donna Kilpatrick, Edward Deano, Jeff Schoen, Cindy Murry all in an effort to get annexation information from town of abita.
8/8/2006	Special Revenue	B Thompson	Something else to ponder in relation to Abita Annexation dilemma -in reading the legal notice describing the up coming annexations they read as 2 separate annexations, one 137 acres and the other 150 acres. In speaking to jeff Schoen, he says the 137 acres is part of the 150 acres. the 150 acres includes 13 acres to be zoning for commercial use. So, is Abita treating these as 2 separate ordinances - Spoke to Mike Sevante regarding this - we should be able to handle this as a single resolution, as long as we know property descriptions in relation to zoning.
8/14/2006	Public Works	B Westerfield	Half of Section 5 lies in the already incorporated city of Abita; Hebert Rd is not in the maintenance inventory. The Pontitalawa area in Section 8, including Marci Acres subdivision contains a number of streets in the Parish Maintained inventory. Please advise if these are to be declared inactive in the system.
8/14/2006	Special Revenue	B Thompson	currently there are no vendors located on this property.
8/15/2006	Environmental Services	T Brown	No DES Issues
8/16/2006	Special Revenue	B Thompson	Spoke to Jeff Schoen in an effort to get more information on annexation
8/18/2006	Planning	S Fontenot	Proposal Complies with Louisiana Revised Statutes for annexation Front 2/3 of proposal complies with Growth Management Agreement - Rear 1/3 does not comply with Growth Management Agreement
