LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Residential/Undeveloped	SA (Suburban Agricultural) District
South	Undeveloped	SA (Suburban Agricultural) District
East	Residential/Undeveloped	SA (Suburban Agricultural) District
West	Commercial/Residential/ Undeveloped	C-2 (Highway Commercial) District

EXISTING LAND USE:

Existing development? No

Multi occupancy development? No

COMPREHENSIVE PLAN:

Planned Districts - Coordinated development on several parcels, usually at a higher density – but not in all cases - than other parcels in the proximity, planned in an integrated fashion as single units including residential, commercial and possibly other (institutional, recreational, *e.g.*) uses, as well as the supporting infrastructure and public services they will require (*See "Small Area Plans," below*). Generally, such developments improve environmental qualities, preserve natural environments, provide for open space and recreational uses, and for residential as well as commercial uses, and are equipped with central utility systems and efficient and effective internal and external transportation access in multiple modes.

Mixed Use – Commercial – Conservation - These planned districts would include mixed uses, except for residential uses, – at varying densities - and conservation areas, following a Small Area Plan, and providing for balance, compatibility and integration of uses and all supporting infrastructure.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from SA (Suburban Agricultural) District to C-2 (Highway Commercial) District. The site is located on the north side of Little Creek Road, east of LA Highway 59. Staff is in favor of the requested zoning change, considering that it meets the 2025 future lands use plan. Note that the proposed development should preserve the more sensitive and desirable environmental features of the site as called for by the Conservation designation.

STAFF RECOMMENDATION:

The staff recommends that the request for a C-2 (Highway Commercial) District designation be approved.
