THE PARISH OF ST. TAMMANY HEREBY ORDAINS that the Parish Council amends Ord. C.S. No. 00-0168, adopted July 6, 2000, amending the official zoning map of St. Tammany to reclassify 332.26 acres on the south side of Lowe Davis Road, approximately 0.9 miles east of LA Highway 59, east of Long Branch, west of Perez Lane, from A-2 (Suburban) to PUD, Ward 10, District 5. (ZC00-05-036) to provide major amendments to original PUD plan which the major amendment to the PUD has been requested due to the identification of wetlands on a portion of the property. Specifically, the amendment calls for the relocation of the home sites from the wet area and a slight reconfiguration of the overall lots. The home sites from the wet area have been moved from the southwestern corner of the property to the southeastern corner of the property. The total number of home sites in the development will decrease by two. The amount of green space has been reduced by about 12 acres, however the amount provided still exceeds what is required, and part of this reduction is due to the increase in size of one of the lakes on the site. Overall, the portion of the site covered by lakes increases by more than 6 acres with the proposed changes per attached Exhibit "A".
