DEVELOPMENTAL AGREEMENTS
Disposition Report for May 3, 2007
Parish Council Meeting

Developmental agreements are essentially a contract between the developer and the Parish which specifies what a developer is willing to provide, in terms of improving the infrastructure within a given area, in order to mitigate the impact of his new development. This may include a cash impact fee per lot, in-kind services, or a combination of both. Typically, each developmental agreement is recorded in the Parish Courthouse prior to the recordation of the final subdivision plats. If the agreement involves the collection of impact fees to satisfy the terms of the contract, the funds collected can be used for improvements within the respective Council District where the development is located. Typical projects whereby the funds can be allocated and expended are, but not limited to: road and drainage improvements, recreation, lighting, beautification, Tammany Trace enhancements and donations to non-profit organizations such as the Economic Development Foundation and St. Tammany Parish Animal Control.

Tuscany West Estates Subdivision, Ward 1, District 1

The developer has agreed in principle to participate in the Parish's voluntary developmental agreement process by donating a \$2,000.00 per lot cash impact fee, which payments of said fees are to be determined at a later date through further negotiation between the developer and the administration.

(Agreement negotiated through CAO's Office. Payment schedule still needs to be clarified. The Planning Commission recommends approval.)

Weston Glen Subdivision, Ward 1, District 1

The developer has agreed in principle to participate in the Parish's voluntary developmental agreement process by donating a one-time \$200,000.00 cash impact fee to be paid prior to the final plats being recorded. This agreement was successfully negotiated between the administration and the developer.

Note: *All developmental agreements are subject to additional negotiations and or amendment prior to the final agreements being recorded for public record, if applicable.*
