**Re: Heritage Oaks Subdivision
Warranty Obligation (\$30,800)**

Honorable Council Members:

The Warranty Obligation in the amount of \$30,800 expires August 30, 2008 and is scheduled for review by the Parish Council at the July 3, 2008 meeting.

The developer was notified on April 16, 2008 by the Department of Engineering of the punch list items required and for his engineer to certify to this office at least sixty (60) days prior to the expiration of the obligation, that the punch list has been completed.

This office has not received such notification. Therefore, this obligation must be extended for one (1) year or until the work is satisfactorily accomplished.

The following punch list items remain:

1. Shoulders need to be sodded in areas where houses will not be constructed;
2. Outfall ditch does not drain to the design invert elevation which causes the detention pond to remain above the low water elevation. Outfall must be made to drain properly;
3. Dry storage area B-B is holding water; cross culverts need to be cleaned out to dry up storage area;
4. Cul-de-sac islands need to be backfilled and sodded;
5. Permanent signage needs to be installed;
6. Replace blue reflectors as needed.

Sincerely,

E. deEtte, Smythe, PhD
Director of Engineering

**Re: Pontchartrain Oaks Estates SD
Warranty Obligation (\$31,000)**

Honorable Council Members:

The Extended Warranty Obligation in the amount of \$31,000 expires August 4, 2008 and is scheduled for review by the Parish Council at the July 3, 2008 meeting.

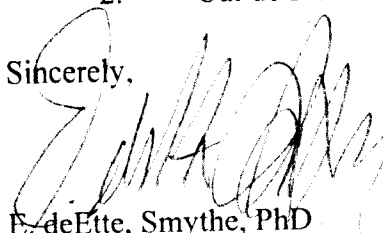

The developer was notified on April 15, 2008 by the Department of Engineering of the punch list items required and for his engineer to certify to this office at least sixty (60) days prior to the expiration of the obligation, that the punch list has been completed. If not, the obligation will be automatically called.

This office has not received such notification. Therefore, this obligation would normally be called. However, in accordance with Resolution Council Series No. C-1528, passed at the September 28, 2005 Special Parish Council meeting regarding Hurricane Katrina, the Warranty Obligation will be extended for (1) year from the expiration date shown.

The following Punch List items were submitted to the developer on March 26, 2008 and remain:

1. Permanent signage is needed
2. Cul de sac island needs to be backfilled and sodded.

Sincerely,

E. deEtte, Smythe, PhD

**Re: Autumn Creek S/D, Phase 1
Warranty Obligation (\$37,000)**

Honorable Council Members:

The extended Warranty Obligation in the amount of \$37,000 expires August 11, 2008.

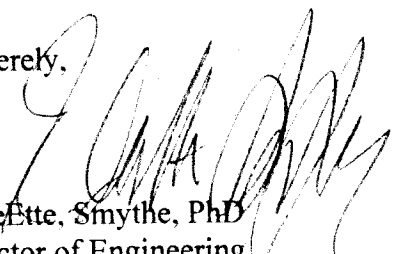

This office has inspected the site. The following work has been satisfactorily completed:

1. The shoulders have been completed;
2. Asphalt roadway has been repaired;
3. Outfall ditch has been stabilized.

Therefore it is recommended that the Warranty Obligation be released.

This is a public access subdivision and the parish is responsible for roadway and drainage maintenance. The Homeowners Association is responsible for the detention ponds maintenance.
