

ST. TAMMANY PARISH COUNCIL

RESOLUTION

RESOLUTION COUNCIL SERIES NO. C-2471

COUNCIL SPONSOR: BINDER/DAVIS PROVIDED BY: FINANCE

A RESOLUTION TO SUPPORT FIRE PROTECTION DISTRICT NO.5'S APPLICATION FOR ASSISTANCE FROM THE LOUISIANA OFFICE OF COMMUNITY DEVELOPMENT FOR PURCHASE OF A NEW RADIO REPEATER, ANTENNA, AND DESKTOP RADIO REPEATER.

WHEREAS, Fire Protection District No. 5 (FPD No. 5) provides fire protection to residents in the unincorporated area of St. Tammany Parish around Folsom.

WHEREAS, FPD No. 5 is currently using a radio repeater system that is over 20 years old and has experienced a 60% reduction in range over time.

WHEREAS, FPD No. 5 does not currently have a secondary radio system for use in case of emergency, including failure of the primary system.

WHEREAS, FPD No. 5 seeks funds to upgrade the current radio communications system by purchasing and installing a new radio repeater, antenna, and desktop repeater system.

WHEREAS, the installation of a new repeater and antenna on Folsom's water tower would increase radio communications ability, and the installation of a desktop radio repeater at the fire station would serve as a secondary backup system in case of emergency.

THE PARISH OF ST. TAMMANY HEREBY RESOLVES to support Fire Protection District No. 5's grant application for assistance from the Louisiana Office of Community Development.

THIS RESOLUTION HAVING BEEN SUBMITTED TO A VOTE, THE VOTE THEREON WAS AS FOLLOWS:
