STAFF COMMENTS:

The petitioner is requesting to change the zoning from I-1 (Industrial District) to I-3 (Heavy Industrial District). The site is located at the northeast corner of Commercial Drive & Brown's Village Road, being lot 25, Brown's Village Industrial Park. The 2025 Future Land Use Plan calls for the area to be developed with industrial uses. The area is mostly developed with light and intermediate industrial uses. Staff is concerned with the intensity of the permitted uses listed under I-3 and the effect on the existing residences located across the street from this site.

Note that before the comprehensive rezoning, the site was rezoned to M-3 Heavy Industrial District (ZC08-05-027), which is similar to the current I-3 Heavy Industrial District. The original zoning change to M-3 had been requested in order to develop the site with an industrial, welding and gas supply business.

STAFF RECOMMENDATION:

The staff recommends that the request for an I-3 (Heavy Industrial District) designation be denied.
