ORDINANCE TO AMEND PARISH CODE OF ORDINANCES, CHAPTER 13, DIVISION 1, MOTOR VEHICLES, SECTION 13-009.00, COMPRESSION ENGINE BRAKES, TO PROHIBIT THE USE OF COMPRESSION BRAKES WITHIN ONE-HALF MILE OF THE INTERSECTION OF HIGHWAY 1077 AND HIGHWAY 1078. (WARD 2 DISTRICT 3) (THOMPSON)

WHEREAS, the St. Tammany Parish Council has previously determined that the non-emergency use of engine brakes, commonly referred to as "Jake Brakes", is not in the best interest of the public health and general welfare of citizens in certain areas because of the excessive noise levels compression engine brakes can produce; and

WHEREAS, the parish has received repeated complaints of excessive noise caused by drivers of large commercial vehicles that are regularly using engine brakes to slow or stop such vehicles approaching the intersection of Highway 1077 (Turnpike Road) and Highway 1078 (Bennett Bridge Road), where neither the terrain nor road design warrants the use of such brakes in non-emergency situations.

THE PARISH OF ST. TAMMANY HEREBY ORDAINS that it amends Parish Code of Ordinances, Chapter 13, Motor Vehicles, Section 13-009.00(B), to prohibit the use of compression brakes within one-half mile of the intersection of Highway 1077 and Highway 1078 and to further provide as follows, to-wit:

SEC. 13-009.00 Compression Engine Brakes

No person shall use motor vehicle brakes which are in any way activated or operated by the compression of the engine exhaust of such motor vehicle or any unit or part thereof within the unincorporated areas of St. Tammany Parish, unless such braking system is equipped with a functional muffler. Such prohibition shall not apply if an emergency situation exists, and the use of unmuffled compression engine brakes is necessary for the protection of persons or property.

B. Use of Muffled Compression Brakes Prohibited in Certain Areas.

No person shall use motor vehicle brakes which are in any way activated or operated by the compression of the engine exhaust of such motor vehicle or any unit or part thereof, regardless of the presence of a muffling device on said compression brakes, within the following described areas of unincorporated St. Tammany Parish. Such prohibition shall not apply if an emergency situation exists and the use of compression engine brakes is necessary for the protection of persons or property:

1. Barker's Corner; specifically, the areas within one-half mile of the intersections of Million Dollar Road and Hwy 1081 (a.k.a. Stafford Rd.) with Highway 437; within one-half mile of both intersections of Highway 40 with Highway 1129; and on Hwy 437 beginning one-half mile south of the intersection of Million Dollar Road and Hwy 437, extending to Hwy 1129 one-half mile north of the intersection Hwy 40 and Hwy 1129.
