Notwithstanding anything contained in the Declaration to the contrary, the person or entity vested with fee simple ownership in the streets, drives, courts and cul-de-sacs of the Subdivision shall have the full right and authority to dedicate same to the public and/or the Parish of St. Tammany. If such dedication is made, it shall become effective and binding on the Owners upon the recordation with the Clerk of Court from the Parish of St. Tammany of the instrument effecting said dedication.

Up and until there is a dedication to the public and/or the Parish of St. Tammany of the streets, drives, courts and cul-de-sacs within the Subdivision, there is granted and established by designation in favor of each and every Lot in the Subdivision, each and every present and future Owner of a Lot in the Subdivision, his heirs and assigns, a non-exclusive perpetual servitude of passage and of ingress and egress on, over and across all of the streets (including all drives and courts), and the street rights-of-way located in the Subdivision, as shown on the plan(s) of the Subdivision. The servitude in favor of each such Lot or grantee shall be a separate and distinct servitude. Said servitude in favor of each Lot or grantee shall be a predial servitude which shall be exercisable by the Owner of such Lot or grantee and his agents, employees, contractors, licensees, invitees, and guests. Each and every such servitude of passage and of ingress and egress shall permit and allow the grantee thereof (i.e., the Lot, the Owner of the Lot or the grantee) and his agents, employees, contractors, licensees, invitees and guests, the non-exclusive use and right of passage, together with others, of said streets and sidewalks, if the latter are required, within the said street rights-of-way for access to and ingress to and egress from every Lot and/or Common Area, which said use shall be determined by law, these Subdivision restrictions, and rules and regulations as promulgated by the Association from time to time. In no event shall any such Lot or Owner of a Lot or grantee be deprived of egress from or ingress to his Lot over the said streets in the Subdivision. The aforesaid servitudes established in this Article shall not be subject to termination or amendment by or upon any termination or amendment to this Declaration. The servitudes hereinabove established in this Article shall encumber and include, without limitation, all of the streets, drives, courts and cul-de-sacs shown on the Plan(s) of the Subdivision filed for record in the office of the Clerk of Court for the Parish of St. Tammany, State of Louisiana. In addition, Declarant reserves the right for itself, its successors and assigns, to use and enjoy the said street and street rights-of-way in addition to and together with all of said grantees. It is understood that other servitudes, such as servitudes for utilities, have been granted which affect the said street rights-of-way. The grantees of the servitudes hereinabove established shall cooperate with such other servitude grantees in the use and enjoyment of the servitude areas, streets and street rights-of-way.

An Owner or Occupant of a Lot and/or Unit in the Subdivision and his respective agents, employees, contractors, licensees, invitees and guests shall at no time obstruct or in any way interfere with free passage on, over or across the said streets and street rights-of-way and that portion of that rights-of-way on which sidewalks, if required, may have been constructed. However, the Declarant, or its successors and assigns, the Association, or its successors and assigns, and/or any utility company, entity or governmental agency in carrying out its rights, duties or obligations to install, maintain, repair or replace the improved streets and/or utilities within the Subdivision or streets, may reasonably temporarily obstruct or interfere with the said use of passage and of ingress or egress, on, over or across said streets and street rights-of-way.

In order to operate a motorized vehicle on the streets within the Subdivision, any Owner, his agents, employees, contractors, licensees, invitees and guests, shall be required to be in compliance with all laws of the State of Louisiana applicable to the operation of such motorized vehicles.
