LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Vacant	HC-3 Highway Commercial District
South	Undeveloped	PBC-1 Planned Business Center
East	Undeveloped	PBC-1 Planned Business Center
West	Undeveloped	HC-3 Highway Commercial District

EXISTING LAND USE:

Existing development: Yes

Multi occupancy development: Yes

COMPREHENSIVE PLAN:

Planned Districts - Coordinated development on several parcels, usually at a higher density – but not in all cases - than other parcels in the proximity, planned in an integrated fashion as single units including residential, commercial and possibly other (institutional, recreational, *e.g.*) uses, as well as the supporting infrastructure and public services they will require (*See "Small Area Plans," below*). Generally, such developments improve environmental qualities, preserve natural environments, provide for open space and recreational uses, and for residential as well as commercial uses, and are equipped with central utility systems and efficient and effective internal and external transportation access in multiple modes.

Single Family Residential -- Conservation - These planned districts would include clustered single family residential uses, at a density – within the overall tract – which is similar to that of adjoining residential uses, and conservation areas, following a Small Area Plan, and providing for balance, compatibility and integration of uses and all supporting infrastructure. Such individual Planned Residential – Conservation developments should aim to achieve contiguity among adjoining conservation areas in adjacent developments.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from PBC-1 Planned Business Center to HC-3 Highway Commercial District. This site is located at the on the east side of Stirling Blvd, south of I-12, north of Brewster Road. The 2025 future land use plan calls for the area to be developed as a planned district with residential uses and conservation areas. The site is currently zoned to be developed with office spaces in campus type setting. Considering the proximity of other commercial uses, staff does not have any objection to the request. Moreover, the 0.15 acre portion of land requested to be rezoned to HC-3 is directly abutting a 3.507 acre parcel that was rezoned to HC-3 (ZC15-09-067) in November 2015.

Note that the RBCO (Regional Business Center Overlay) will remain in effect as it was previously approved under ZC13-08-063.

STAFF RECOMMENDATION:

The staff recommends that the request for a HC-3 Highway Commercial District designation be approved.
