LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Residential	A-1 Suburban District
South	Residential	A-1 Suburban District
East	Residential	A-4 Single Family Residential District
West	Residential	A-3 Suburban District

EXISTING LAND USE:

Existing development: No

Multi occupancy development: Yes

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as “village or town residential” may include mixed uses and would have the highest number of units per acre, while “Rural residential” would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-1 Suburban District & A-4 Single-Family Residential District to A-4 Single-Family Residential District. This site is located on the west side of Bigner Road, south of LA Highway 22. The 2025 future land use plan calls for the area to be developed with residential uses. Staff feels that there is no compelling reason to recommend approval of the request considering that the west side of Bigner Road is developed with residential use and undeveloped land zoned A-1 Suburban District.

STAFF RECOMMENDATION:

The staff recommends that the request for an A-4 Single-Family Residential District designation be denied.
